CIVIC HALL

PTZ Cameras: INFO & TECHNICAL SPECIFICATIONS

The Craig Newmark Auditorium on the 2nd floor of Civic Hall has five PTZ Optics Link cameras (manufacturer's P/N PT30X-LINK-4K-WH).

Camera locations indicated below.

HARDWIRED

5 Arcadia Ct. Bloomfield NJ * (973) 338-7275

The cameras are operated with a PTZ Optics SuperJoy (joystick controller, manufacturer's P/N: PT-SUPERJOY-G1), and our staff has extensive experience with PTZ systems and can make a great looking production with them.

They are mixed down with a Blackmagic ATEM Television Studio 4K8 (manufacturer's P/N: SWATEMTVSTC/K4K8) which provides 2160p 4K UHD output for recording and/or streaming applications.
